1. All donors at any gift level to the campaign phases will be recognized in the Information Center in some way. Gifts given to the Imagine Capital Campaign are used for the total building program. The items named will be part of the project and will be noted according to the donor's designation for naming. The donation amounts listed are not the actual costs of the item.
2. Other naming opportunities will be developed as we continue to finalize our plans with the architects. If you have a special desire that is not listed, please be sure to contact St. Michael at (239) 939-4711. Pastor Jon's extension is #244, and Bob Ziegler's is #223.
