

Dear Friends of St. Michael,

#3

Just Imagine what it was like on that Easter morning to see the empty tomb and hear the good news, He lives! That is the message that people receive through St. Michael's ministry. He lives and so we live. We live to serve others just as we have been served!

You have been introduced to the Imagine project through the postcards. Soon you will receive the project booklet. Imagine will impact the ministry to and for people of all ages. You also noticed that Imagine will affect the facilities in which we will deliver the ministry.

The Imagine project is using a puzzle piece to illustrate the many facets, pieces, of the project. You have seen the logo to the left in our regular publications since January. We have shared with you the planning and development pieces. As stewards of what we have received we become a piece of the ministry puzzle. God has chosen us and called us by name to be a part of His ministry. So, you are key to completing the puzzle of the

Imagine project.

What's key to completing the puzzle?

There are several things that you can do to participate and be a piece of the puzzle.

Pray: Join us on May 4th, the National Day of Prayer, and begin a daily prayer routine regarding this project.

Praise: Praise God for His great love and for choosing us to be His stewards.

Give Thanks: Thank the Lord for the many blessings He has bestowed on St. Michael over the years.

Imagine!
