

## DESIGNATION FORM FOR NAMED OR MEMORIAL GIFTS

# *Imagine Campaign*

View information on the web at [www.smlcs.org](http://www.smlcs.org)

Naming opportunities are provided to allow families to enjoy a lasting tribute to the faithful stewardship of the donors and to recognize an individual or group. The list also provides a targeted giving level for the donor to consider. The donation is made to the general campaign fund and the designated item will be named when it is completed.

Please complete this form with the help of the master naming list and return it to the St. Michael Office Center.
